Professional Summary

Self-motivated Second-Year B.Tech AIML student with expertise in programming and web development. Proficient in Python and C++, with hands-on experience in building web applications, PWAs, and data-driven projects. Passionate about solving engineering challenges through innovative solutions and highly interested in learning new skills to continuously grow and adapt to emerging technologies.

Academic Qualifications

Bachelor of Technology in AIML

Zeal College of Engineering and Research, Narhe, Pune | 2024-2028

FY |2024-2025 | Cumulative GPA: 8.34/10

HSC in Science

B.S.K.P Jr Collage,Satral | 2023-2024| Percentage: 75.00%

SSC in Science

P.Dr.V.V.Patil school | 2021-2022 | Percentage: 81.00%

Technical Skills

- Programming Languages: C++, Python
- Web Technologies:HTML5, CSS
- Software Proficiency: MS Office
- Adept AI User
- DSA(Learning)

Projects

- Created a gym web page to showcase fitness services, workouts, and features. It likely included sections like home, about, contact, and possibly workout plans or trainer details.
- Created inventory management web app using Python and Flask, connected to a MySQL database with SQLAlchemy. Core features include a secure admin login, a product catalog to manage items with details and images, and the ability to track each product's cost and selling price.

Internships

- **Tantrata Solution Pvt Ltd**
 - **Web Development & Machine Learning Support Intern**
 - Gained hands-on experience in web development, building websites and Progressive Web Applications (PWAs) with enhanced performance and offline support.
 - Contributed to machine learning workflows by labeling datasets on Roboflow and assisting with data collection
 - Developed a web-based Inventory Management System with features for stock tracking, product management, and reporting

Extra-Curricular Activities

- Organized annual college events, managing a team of 20+ volunteers.
- Participated in a tree plantation drive, planting 50+ saplings in the local community.

Strengths

- Problem-Solving | Leadership | Teamwork | Time Management | Creativity

Hobbies

- Solving Algorithmic Problems | Participating in Coding Competitions | Playing Guitar | Playing Chess
